A TREE FOR ME

My grandfather came to see me today. He brought me a special present. It was a small tree. Grandpa bought the tree just for me. Grandpa told me the tree would grow to be big and strong. I am going to grow big and strong, too.

We decided to plant the tree in my backyard. Grandpa helped me to dig a hole for the tree. We dug a deep hole for the tree. It is a pretty tree, and has green leaves. When the tree grows, I can climb the tree. I will get Grandpa to help me build a tree house in it. It is a tree just for me.
